Message from the Grand Knight Brothers,

We have had another successful sweatshirt drive for Holy Cross Children's Services with over 60 donations (and counting). They are continuing to come in.

This council was one of the sponsors of the Lake Michigan Catholic Schools Walk for Catholic Education that collected over \$10,000.00! The attendance for the breakfasts have been up so far this year but you can help make them better by making plans to have pancakes the 3rd Sunday morning of the month at the LMC high school cafeteria.

These are just some of the recent things we've done, but point them out as you invite other men of the parish to join the Knights of Columbus.

Vivat Jesus!

K of C Volunteers Recognized for Community Service Work

Our brother knight, Jerry Post, received the Volunteer of the Year award from Gateway/Milestones. His work in recruiting two K of C councils to participate in their yearly softball tournament as well as providing K of C knights to serve as umpires for the event were key factors in his selection.

Honors This Month

- The Knight of the Month is Ron Griesinger.
- The Family of the Month is the Terry Conner family.
- Our newest knight is mark Frazee.

Scholarship Fund

The council approved the plan set forth by the Scholarship Committee to offer college scholarships to selected seniors at Lake Michigan Catholic High School. The committee will now approach the faculty about nominating students for this award based upon their services to the community. One student will be given an honorary award each month and will then become eligible for the scholarship. At the end of the year, one of the honorary award recipients will be selected for the scholarship.
